1	17664	29.5	DPS	CAPPS Financials	Yes	General Ledger	Medium	High	Journal Import- J&D Docs import from other agencies	Certain USAS "D" and "J" doc transactions need to automatically generate journals in CAPPS. These are typically revenue transfer transactions that originate from other agencies. Currently these transactions are processed by the USAS to CAPPS Inbound process (which is controlled by the DOC_TYPE Systems Codes table) and land on the HX Recycle Browser, requiring manual journal entry by the receiving agency. The DOC_TYPE Systems Codes table and the TX_US_CAPPS Inbound process will be modified to ignore these transactions. 2	18635	20.63	CAPPS	CAPPS Financials	Yes	Reports	High	High	Contract Print Report Changes.	Enhancements to the Contract Print Report includes: 1. The agency seal in the header area of the printed report. 2. The agency's standard terms and conditions as part of the printed document located above the signature box. 3. The assigned Buyer's electronic signature and removes the blacked-out signature area of the contract marked as "UNAUTHORIZED." 4. The date of approval.	Add additional information to the Contract Print Report to provide similar information as the PO Print Report.	Agency seal, terms and conditions, buyer signature and date of approval will be added. 3	14612	17.86	TDI	CAPPS Financials	Yes	Cash Receipts	High	Project	Unable to add Eligible Receipt to Correction Batch.	Solution for reallocations after partial refund has been applied to a deposit.	To correctly capture the remaining balance for partial refunds, a new balance field will be introduced on the receipt line.	New coding will be applied to the new field, to calculate the remaining balance of the refund from the original deposit. This requires a modification to the way CR accounting entries are created.	*User Acceptance Testing	UAT 5/3–5/14 PRD 5/20
